A Note from Our Pastor:

Dear Friends and Family of St. James Catholic School:

Happy New Year 2018!

I hope everyone enjoyed the Christmas and New Year's holiday. Even though the weather was sub-zero during the holiday break, I hope you were able to enjoy spending time with your family and friends.

As we begin the New Year, we reach the half way point of this school year and lots of great activities have taken place over the past several months.

Over the holiday break we were able to make several maintenance improvements including, repairing the heating system on the ground floor in the library and in the kindergarten class room, replacing lights, repairing a wire on our score board in the gym, and installing a new refrigerator and milk cooler in the cafeteria. Special thanks to our Knights of Columbus Council for donating funds to purchase the new refrigerator.

With the winter weather here please keep alert to any school delays or closings. If St. James has a delay or cancellation we have the Option C email and phone alert system and also announce delays or closings on the local television and radio stations. When the school is cancelled due to the weather that also includes any after school or evening activities. Because there is no faculty, staff, or maintenance on campus when the school is closed there are not to be any events, games or practices going on in the school or gym. Thank you for your understanding.

Catholic Schools Week begins with the 9:30am mass on Sunday, January 28. Please plan on joining us for this wonderful kick off!

With God, All Things Are Possible!

Fr. Tom
