Use THE GIFT CARD PROGRAM and start earning tuition credits today!

What is The Gift Card Program?

The Gift Card Program is a fundraising program that enables St. James families to raise **tuition credits** to offset the cost of tuition. St. James is very generous and gives St. James families who participate 100% of the credit earned as tuition credits except for grocery stores where St. James will take 1% of the 5% profit given by Giant Eagle, Kuhns, Shop n Save, and Safran's. All other cards, St. James will give 100% of the profit given by those restaurants/retailers towards your tuition credit.

How does it work?

Pay for everyday purchases, such as gas, groceries, dining, and clothes using gift cards in place of cash, checks, or credit cards. Choose from many retailers and restaurants. Earn from 1.5% up to 16% from each purchase toward tuition credits.

How do I order?

For scrip ordering, we are no longer offering same day scrip ordering and pick up. These are your options:

Pre-order and pay ONLINE. You must have an online account to order. Our enrollment code is **562EL5C43LL5**.

How and when are tuition credits applied?

Tuition credits are earned from April 1 to March 31 of each following year. These credits are then applied to your FACTS payments. For purchases from April 1 to October 31, your tuition credit will be applied in December. For purchases from November 1 through March 31, your tuition credit will be applied in April. **There is NO LIMIT to the amount of tuition credits to generate!** The more you earn = more tuition credits=cheaper tuition for YOUR family!

If you paid in full, your tuition credit will be for the following school year, or considered a donation to the school if you do not return to St. James School the following year. This is a tuition credit program ~ **there are NO cash refunds!**
