

Girls Volleyball Registration - Fall 2020

Registration is now open for all interested 4th to 8th grade girls to register for Girls Volleyball for the 2020-21 school year. The grades would be broken into 2 teams: JV (4th, 5th, and 6th grade), and Varsity (7th and 8th grade).

The schedule would start with open gyms at the beginning of August and then practices for the fall season would officially begin on or after August 17, 2020. We will be having Zach and Rebecca Scahill from Pitt Elite conducting a skills enhancement camp on August 18, 19, and 21, 2020. The season runs from September through late October. Students are welcome to play other sports in the fall and still participate in volleyball. We are also looking for a volleyball coordinator as well as assistant coaches for the JV and V team.

To register to play in the fall please go to <https://tshq.bluesombrero.com/stjamessewickley>. We ask that you do so as soon as possible. Please note, you must be registered AND have all valid paperwork in to the school prior to participating in any volleyball activities (open gyms, practices, and skills camp included).

Any questions or issues please contact Robert.Cobourne@comcast.net
